The Kelly Gang Robbery

The Kelly Gang are a gang of robbers made up of the following people; Dan Kelly, Joe Byrne, Steve Hart and of course Ned Kelly himself! Just yesterday they had managed to rob a bank and get away with it completely unharmed! We only had one witness by the name of Fanny Shaw. She was a maid just the other day until she joined the police force. "I was out in the yard when he took me in!" Fanny Shaw. As we questioned her more and more we got a small amount of the story that we can tell you right here! Fanny Shaw was in her backyard hanging up things when Ned Kelly grabbed her and took her into the building then tied her to a chair took the money and ran out with the rest of his gang! Ned Kelly was the one to be blamed for this crime and the Kelly Gang blamed for the robbery! Will police find the Kelly's our will they forever get away with murder and robbery!

Who is the Kelly Gang?

The Kelly Gang are a gang of people that rob banks and kill people to make a living! Could you just imagine having to do that to stay alive! The Kelly Gang got its name from the Kelly's. The Kelly's are a family made up of Dan Kelly, Ned Kelly, Kate Kelly and Ellen Quinn. Ned Kelly is the leader of the Kelly Gang with Dan being second in charge. This isn't just the ordinary Gang that you can take down very easily. Many cops have been killed in the process and today our message to you is "STAY AWAY FROM THE KELLY'S" or your life may end very soon!
